Allowable Subject Matter

Claims 1-10, 12, 13 and 16-20 are allowed. The additional limitation added to the allowed claims consisting of a hole passing through from top to bottom is not an obvious modification to the prior art since the intent of the prior art is to fill voids using the foam blocks. Creating a hole through the foam blocks would be counterintuitive to the prior art.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Basil Katcheves whose telephone number is (571) 272-6846. The examiner can normally be reached on Monday-Friday from 7:30 am to 4:00 pm.
